

Christian Seyram Aguzey

Personal Profile

I am a highly motivated, conscientious individual who shows commitment in whatever I do. Experienced in aseptic techniques, microbiology, and contamination control and working in a cGMP environment. I am ambitious and looking forward to playing a vital role in the current Good Manufacturing Practice (cGMP) environment and adding value to Lonza. I can follow written instructions and have an excellent track record for maintaining a high standard of work ethics, and have a demonstrative drive and ability to work under pressure, consistently delivering quickly and accurately. Have a high level of IT skills both practical and theoretical and would like to bring these performance enhancement skills into my field of work.
